Item #5 Officer Maxwell Cloudy informed the mayor and board of aldermen they had been looking into multiple companies for dash and body cameras and found that AXON was cheaper. Officer Cloudy stated that he was going to start a Zoom presentation with Jason, a representative with AXON. Jason explained a five-year contract they are offering for six (6) body cameras with docking stations and one (1) front and one (1) rear-facing camera for six (6) police vehicles. The contract provides a five-year warranty on the equipment. The quoted price for a five-year contract is \$20,826.92 per year for a total of \$104,134.60. After the board had all the information, Alderman Damon Johnson made a motion to take action on purchasing the dash and body cameras at the quoted contract pricing. Seconded by Alderman Jeff Solinsky. All I's.

Item #6 With no further business, Alderman Leonard Johnson motioned to adjourn. No objections.
